

Pemi-Valley Habitat  
for Humanity

Habitat for Humanity's work is accomplished at the community level by affiliates -- independent, locally run, non-profit organizations. Each affiliate coordinates all aspects of Habitat home building and restoration in its local area (fund-raising, building site selection, family selection and support, house construction, mortgage servicing, volunteers, and church relations).

Pemi-Valley Habitat for Humanity is a non-profit Christian housing ministry affiliate of Habitat For Humanity International. Pemi-Valley Habitat works in partnership with economically disadvantaged people in our service area to improve the condition in which they live.
